**Early out/Medical & Dental appointment scheduling:**  
 If a student needs to **leave campus early** for any reason, the student needs to report to the Attendance window before school with a note from a parent/guardian. A special "Early Out" pass will be given to the student to leave class at the time on the note and the student will wait in the front office for the parent/guardian. The parent/guardian needs to come into the front office with ID to sign the student out. **The purpose of this policy is to avoid classroom disruptions.** Students without an early out pass will be sent call slips to leave class once the parent/guardian has arrived in the office. Medical/dental notes should be turned in at the Attendance window upon return to campus.
